# About Patriot Cheer Allstars

Patriot Cheer Allstars is a cheerleading program that offers advancement in all skill levels 1-7 as well as opportunities to compete. Our focus is to help our students develop elite-level skills in both tumbling and stunting while providing a safe and effective environment. We have a strong team of coaches with experience at all levels. Each coach is dedicated to teaching your athlete not only the necessary skills to be successful in cheerleading but important life skills to take with them when they step off the mat.

Our competitive athletes are ages 4 and up, no experience is necessary to try out. The tryout process is very casual and fun! All athletes are placed on a team. Your athlete will be asked to demonstrate jumps, tumbling, body positions, and their ability to learn choreography. Athletes are evaluated in groups and we encourage each person to do their best. Many key elements factor into the decision of team placement. Keep in mind all PCA teams are built to compete at a high level and we place athletes to achieve the highest level of success for the team.

## TEAM PLACEMENT

There may be athletes on any given team that perform at a different level than the rest of their teammates. We try our best to match up the athletes as best we can, but please remember that stunting, jumps, dance, and age are huge factors as well as tumbling. Some will be stronger tumblers than others; some will contribute more on stunts than others. We choose our team based on the positions that we need to fill to hit in the high range on the score sheet. EVERY ATHLETE IS ON THE TEAM FOR A REASON, PLEASE TRUST OUR STAFF.

# Parent & Athlete Policies

1. Practice- You must be at all practices on time, properly dressed with all necessary equipment. This means no jewelry and hair up. NO GUM. Practice clothing is to be related to Patriot Cheer All Stars or all black. No practices will be excused without prior approval at least 2 weeks in advance. **Financial agreement with the gym will still need to be met regardless of removal from the squad. All unpaid charges will be referred to a professional collection agency or small claims court.** The coach has the right to give consequences for late arrival to practices and the coach will decide those consequences. Any absence for any Patriot Cheer All Star event must be **APPROVED 2 WEEKS PRIOR TO THE EVENT.** It is **REQUIRED** you keep an open schedule 2 weeks leading up to each event as Patriot Cheer All Stars may add additional practices that will be MANDATORY. Failure to attend these practices will result in a \$25 fine to your account that must be paid before your athlete can return to the floor and may result in your athlete being pulled from that competition or performance.
2. Competition Absences- NO ABESNCES FOR COMPETITIONS! Being absent for competition will result in immediate dismissal from any Patriot Cheer All Stars team and you will be held liable for all vendor expenses for any items you have received (choreography, gear, uniform, bow, makeup, etc.) as well as a contract termination fee of \$500 per athlete.
3. Practice Absences- **Excused absences:** Death in family, Significant family events (wedding or graduation), a birthday party is not a significant family event, serious contagious illness and required school functions that affect his/her grade (Parents must text or send a note confirming the school event for it to be excused). **Unexcused absences:** Injury, birthday parties, concerts, camping, games, transportation issues, work schedule and vacations.  
**May-August we understand families want to enjoy their summers.** However, these months are EXTREMELY important. The summer months will be used as a time for All Star athletes and teams to improve their skills and learn choreography. We ask that notice is given for any planned absences 2 weeks prior to the absence. If an athlete is in town, we expect them to be at practices. Friends and Lagoon do not count as an excused absence.  
**Mid-August-May competition attendance policy will be enforced.** All practices are MANDATORY. An athlete may be removed from routine sections, or the whole routine if they have excessive absences from practices, cleared or not. The show must go on, Allstar Cheer routines require ALL athletes to be at practices to practice stunts, pyramids, tumbling sections and intricate dance choreography. We cannot have a successful season if we don't have committed athletes. Please understand we are building championship teams and athletes!  
If any team member disrespects their teammates, coaches or facility by continuous absences, tardiness, lack of desire or commitment it may result in a change in position within a team, being placed on a lower team or dismissal from the team. A \$500 fee will be automatically charged to your payment information on file if your child is dismissed from a team or chooses to quite a team November-May.
4. Summit Bids – If a Summit Bid, regional or DII, is received we will be attending the event. We plan to promote fundraising throughout the season to help with Summit costs. If the cost is a concern to any families after a bid is received, please reach out to us so we can help with sponsorship or payment plans.
5. Competition- No one is guaranteed the right to compete. The coach will select those who he/she feels will best represent Patriot Cheer All Stars at any and all functions. **Parent Note- Please do not complain about which team your son or daughter is competing on, which bases or flyer he/she may have or may not have, etc.** The coaches have to make decisions on what is best for the team and not what is best for a particular individual. If your son or daughter feels that he/she should be doing something different in a routine, then he/she should discuss the issue with their team coach who will provide the reasons behind the current placement as well as what your athlete should work on to improve and gain consistency in his/her skills. Consistency is everything.
6. Ability- Your athlete is required to maintain the ability level that was exhibited at tryouts as well as show reasonable growth with the team. Executing less or failure to execute skills required at their level may result in re-evaluation and new team placement. Patriot Cheer Allstars strives to help every athlete grow and thrive on their team.
7. Commitment- The cheerleading season is not over until our end of season banquet. You must be totally committed to this activity. Remember work is NOT an excuse to miss practice. Around competition time, we may need to add practices and it is your responsibility to be at those practices. Lack of commitment may result in removal from certain routine elements, your athlete temporarily being taken off mat or dismissal from the team.
8. Transportation, Food & Lodging- You are responsible for all transportation, food and lodging to and from competitions.

- 9. 3 Strike Policy- We hold both athletes and parents responsible for any actions within or related to Patriot Cheer All Stars. 1st offense will be a written warning, 2<sup>nd</sup> offense will lead to temporary suspension from the team and/or access to parent rooms and practices, 3<sup>rd</sup> offense will result in dismissal from our program.
- 10. Sportsmanship- Our cheerleaders represent us and our community and must conduct themselves with “good sportsmanship.” Foul language and inappropriate behavior will not be tolerated. Patriot Cheer All Stars athletes must treat their teammates, coaches, and team parents with respect at all times. Parents also represent our gym. All athletes and parents are a direct reflection of Patriot Cheer Allstars and should conduct themselves appropriately at all times. Disrespectful or abusive behavior, dishonesty, gossiping or any form of negative behavior from an athlete or parent is grounds for immediate removal from the Patriot Cheer Allstars program.
- 11. We DO NOT allow uniforms to be worn outside of Patriot Cheer All Stars approved events.
- 12. Cell Phones- ABSOLUTELY NO CELL PHONES ON THE FLOOR DURING PRACTICE! Cell phones must be stored away in the provided athlete cubbies. Failure to do so will lead to a designated “cell phone bucket” that each team member will be asked to put their phones in for the duration of practice.  
If a parent needs to reach an athlete during practice times, they are welcome to come to the gym or they may text/call Cheryl @ 801-604-8784.
- 13. Amount of travel- We plan on only traveling out of state twice during a competition season.
- 14. Season Fees- I understand Patriot Cheer All Stars does not offer cash refunds/reimbursements. Any tuition or monies paid towards team fees, private lessons, camps, clinics, tumbling classes or any other services can be reimbursed as a credit on your account or as a gift certificate.

Patriot Cheer All Stars shall have the final decision on all personnel and team matters. Please trust that our coaches’ decisions are based on what is best for the team’s success.

**Any members that break any of the above rules may be asked to leave the facility, asked to leave the event, or asked to leave the program without receiving a refund on any fees collected by Patriot Cheer All Stars. Those members will still be required to finish financial responsibilities for the remainder of the season or pay the \$500 termination fee.**

By signing below, I understand the above expectations and consequences for not abiding by those expectations.
